### Notes

<sup>1</sup> Tuition can be paid

- Annually
- Per semester (Each year has two semesters)
- Per quarter (Each school year has four quarters)
- Per month (A school year has 10 months)

The preferred payment method will be documented in the payment agreement form.

<sup>2</sup> one-time only fee per new applicant and must be paid at IAS with student's new application.

<sup>3</sup> for the purpose of acquiring depreciable assets and making capital improvements, such as renovations/construction of buildings, acquiring real estate assets and paying off a mortgage debt. The fee is one time per family and must be paid in full upon enrollment.

<sup>4</sup> paid by students who will move on to their next year at IAS. This fee is deducted from the first payment in the new school year. The payment of this fee is for securing placement and thus helping the school to estimate the number of students in each school year.

<sup>5</sup> only for students for whom ESL services are required

<sup>6</sup> for students who are required to use the Science lab

<sup>7</sup> for Middle and High school students taking art as an elective

<sup>8</sup> for all 12th grade students that are graduating at the end of the school year

<sup>9</sup> for students who want to enroll at IAS. The test determines if and in what grade the student may be enrolled. Fee goes toward first tuition payment.

**The costs of online classes that are not included in the curriculum of IAS will not be covered by the school.**
